

REMARKS/ARGUMENTS

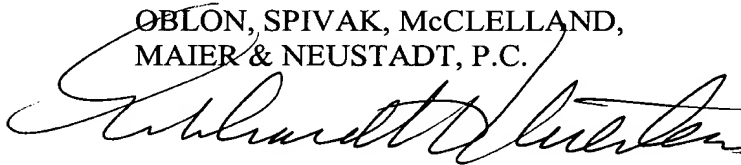

Examination on the merits and favorable consideration of the newly submitted Claims 21-25 is respectfully requested.

In the outstanding Official Action, Claims 1-20 were subject to restriction, specifically, an election of species requirement. That requirement is believed to be moot in view of the cancellation of Claims 1-20 and the substitution of new Claims 21-25 therefore.

New Claims 21-25 find support in the disclosure of Figures 35-57, and are not believed to raise a question of new matter. Accordingly, examination on the merits of Claims 21-25 is believed to be in order and is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
